

The East German Revolution of 1989

Author: [Gareth Dale](#) [1]

Manchester University Press, Manchester, 2007, pp. 252

Eye-witness stresses the role of civic groups and the increasing radicalisation of workers and technicians, and engages critically with other interpretations of the revolution. See also his earlier book, Dale, Gareth , [Popular Protest in East Germany 1945-1989](#) [2] London, Frank Cass, , 2004, pp. 256 .
