

Everyday Resistance on the Internet: The Palestinian Context

Author: [Miryam Aouragh](#) [1]

In: Journal of Arab and Muslim Media Research, Vol 1, No 2 (Nov), 2008, pp. 109-130

Explores how internet links Palestinians in Lebanon, Jordan and Palestine, creates a Palestine in cyberspace, and has an impact on manifestations of resistance, for example through street candle vigils and 'lighting a candle' on the internet.
