## **Le Rose et le Noir : Les homosexuels en France depuis 1968**

2nd updated and extended edition Points2008, pp. 772

Originally published: 1996

Original French version. Examines activist lesbian and gay organizations in relation to post-1968 feminism, gay 'ghettoes' and the gay press, and explores the impact of AIDS and revival of militancy in the 1990s. Notes influence of American movement, but also stresses differences.
