

Accomplishments and Chronology in Brief: 1987-2012

Author: [ACT UP](#) [1]

Vol 2017, ACT UP New York, New York, 2009

Lists range of nonviolent direct action protests by ACT UP since 1987, involving marches, sit-ins, blockades, political funerals, die-ins, disrupting political occasions and speeches, etc. Main targets have been pharmaceutical companies (for profiteering and failure to produce new drugs or provide adequate access to them in Africa), the medical establishment in the US, health insurance companies, the Catholic Church and President Bush Snr and President Clinton and Vice-President Gore.
