## **History on Our Side – Wales and the 1984-85 Miners' Strike**

Author: [Hywel Francis](#) [1]

Parthian Books, Swansea, 2009, pp. 96

(new edition in preparation)

Account of how the strike developed differently in Wales from other parts of Britain, and grew into a national movement involving community groups, churches and Welsh nationalists and fostered a greater national consciousness with a lasting impact on Welsh politics.
