## **Dispersing Power: Social Movements as Anti-State Forces**

Author: [Raul Zibechi](#) [1]

AK Press, Oakland CA, 2010, pp. 163

The state, argues Zibechi, 'is not the appropriate tool for creating new social relations', and therefore Morales' presidency represents a challenge to popular emancipation. Instead, he looks for inspiration to the social struggles in Bolivia and the forms of community power instituted by the Aymara people, especially in El Alto.
