## **What Shall We Do without Land? Land Grabs and Resistance in Rural Cambodia**

Author: [Alison Elizabeth Schneider](#) [1]

International Conference on Global Land Grabbing, 6-8 April 2011, organized by Land Deals Politics Initiative with Journal of Peasant Studies, Sussex University, 2011

Covers three different types of land grab (one by military) and types of peasant resistance, from overt protests and petitions to 'everyday resistance' such as sleeping on threatened land and organizing road blocks.
