## **The Arab Uprisings: What Everyone Needs to Know**

Author: [James E. Gelvin](#) [1]

Oxford University Press, New York, 2012, pp. 208

Book in question and answer format by an historian – topics include the role of youth, labour and religious groups, and why in some cases the military decided not to support the ruler. Discusses also the role of monarchies in Morocco, Jordan and the Gulf.
