

The People Want : A Radical Exploration of the Arab Uprisings

Author: [Gilbert Achcar](#) [1]

University of California Press, Berkley, CA, 2013, pp. 358

Achcar rejects the concept of a sudden 'Spring', arguing instead that there is a long term deep-seated revolution which will take many years to develop. Achcar's Marxist inspired analysis stresses the basic socio-economic changes required. He also covers the role of both the relatively tolerant monarchies of Morocco and Jordan and the 'oil monarchies' of the Gulf.
