## **Feminism Inshallah: A History of Arab Feminism, Film**

Author: [Ferial Ben-Mahmoud](#) [1]

2014

Muslim women's struggle for emancipation is often portrayed as a showdown between Western and Islamic values, but Arab feminism has existed for more than a century. This documentary recounts Arab feminism's largely unknown story, from its taboo-shattering birth in Egypt by feminist pioneers to viral Internet campaigns by today's tech-savvy young activists during the Arab Spring. From Tunisia, Egypt, Algeria, Morocco, Lebanon and Saudi Arabia, filmmaker and author Ben Mahmoud charts the progress of Arab women in their long march to assert their full rights and achieve empowerment. Features previously unreleased archival footage and multigenerational interviews.
