

Leftover Women: The Resurgence of Gender Inequality in China (Asian Arguments)

Author: [Leta HongFincher](#) [1]

ZedBooks, London and New York, 2014, pp. 213

This book discusses the popular myth that women have fared well as a result of post-socialist China's economic reforms and breakneck growth. It lays out the structural discrimination against women in China and speaks of the broader problems within China's economy, politics, and development.
