

The Maidan Uprising, Separatism and Foreign Intervention. Ukraine's Complex Transition

Editor(s): [Klaus Bachmann](#) [1], [Igor Lyabashenko](#) [2]

Peter Lang GmbH , Frankfurt-am-Main, 2014, pp. 523, hb.

Collection of 17 essays by academics, journalists, lawyers, policy makers and activists covering Euromaidan and the election of President Poroshenko in May 2014, and also developments in Crimea, from a multidisciplinary perspective. It is sponsored by the Polish National Research Institute, but includes also contributions from Germany, Sweden and the USA. There are chapters on post-1991 Ukrainian politics, on the Orange Revolutions and Euromaidan (focusing only on Kiev).
