

## **Power-Sharing Executives:Governing in Bosnia, Macedonia, and Northern Ireland**

Author: [Joanne McEvoy](#) [1]

University of Pennsylvania Press, Philadelphia PA, 2014, pp. 288

Comparative study of power sharing-initiatives, analyzing the different approaches in each case and the role of external actors. Author argues that the experience in Northern Ireland, despite many setbacks and false starts, has been relatively positive, though threatened by the rioting and quarrels that followed the decision in December 2010 to fly the Union flag at Stormont only on special occasions rather than every day as had previously been the case.
