

Ferguson is America. Roots of Rebellion

Author: [Jamala Rogers](#) [1]

Jamala Rogers, St. Louis, MO, 2015, pp. 135

This work is collection of articles and essays exploring the roots and development of the fight for racial justice and human rights in Ferguson, USA. Political activist Jamala Rogers narrates the history of systemic racism and police violence in St. Louis and of the development of the Black Lives Matter movement in the region.
