## **'Blockupy - Ziviler Ungehorsam als Solidaritaet**

Author(s): [Aaron Bruckmiller](#) [1], [Franziska Scholl](#) [2]

In: Forschungsjournal Soziale Bewegung, Vol 29, No 1, 2016, pp. 76-82

Numerous protests took place round the world contemporaneously with the global economic crisis, but the left in Europe as a whole failed to organize. This gap should be filled by Blockupy, a European network of activists composed of trade unionists, political parties and different social movements. The article traces the history of this organization and assesses how far Blockupy has the power to create a new left movement in Germany.
