

Feminism And Nationalism In The Third World

Author: [Kumari Jayawardena](#) [1]

Verso, London and New York, 2016, pp. 304

By demolishing the myth that feminism originated in the West, Kumari Jayawardena presents feminism as it originated in the Third World, erupting from the specific struggles of women fighting against colonial power, for education or the vote, for safety, and against poverty and inequality. Gives particular attention to Afghanistan, China, Egypt, India, Indonesia, Iran, Japan, Korea, the Philippines, Sri Lanka, Turkey, and Vietnam.
