## Political feminism in India

Author(s): [Vibhuti Patel](#) [1], [Radhika Khajuria](#) [2]

Friedrich-Ebert-Stiftung, New Delhi, 2016, pp. 40

Analyzes the current feminist actors, organizations and debates around gender equality and feminist perspectives in order to provide an overview of feminist ideas and actors in India. It shows that feminism today is the constant questioning of the world we perceive and the boundaries we encounter.
