

Macht von unten durch gewaltfreie Aktion: Neue Beitraege zur direkten Aktion in der Demokratie

Author: [Theodor Ebert](#) [1]

In: Lebenshaus Schwaebischer Alb, 2017

'Power from below through nonviolent action' is the latest contribution from German's best known proponent of civilian defence and nonviolent resistance. Aware that he is 80 years old, Ebert sums up his experiences and elaborates on new ideas for future research
