

Protestantismus und die Tradition des zivilen Ungehorsams

Author: [Heinz Kleger](#) [1]

In: Klein, A und O. Zimmerman, (eds.) Impulse der Reformation: Buergergesellschaft und Demokratie, pp. 51-58

Since the protests against the use of nuclear energy in the 1980s, civil disobedience is part of German society. The author claims that this kind of resistance shouldn't be confused with the right to resist. Civil disobedience has certain stringent criteria that have to be fulfilled, and should moreover be an exception in a democracy founded on the rule of law and the principle of representation.
