

Whither feminist alliance? Secular feminists and Islamist women in Turkey

Author(s): [Hulya Simga](#) [1], [Gulru Goker](#) [2]

In: Asian Journal of Women's Studies, Vol 23, No 3, 2017, pp. 273-293

Inquires into the viability of an alliance between secular feminists and Islamists through the proliferation of deliberative platforms, where civil society organizations can meet at a safe distance from partisan politics and enter productive dialogue and generate policies to resolve the crucial problems women are facing in Turkey.
