## The women's movement in Bangladesh

Author: [Nazneen Sohela](#) [1]

Friedrich-Ebert-Stiftung, Banani, Dhaka, 2017, pp. 24

An exploration of the history of the women's movement in Bangladesh, its achievements and the internal and external challenges for a sustainable movement it faces. The author weaves in broader historical changes and discusses the nature of the current political context and its impact on the feminist movement in Bangladesh.
