

Author Leta Hong Fincher shows why the world should pay attention to China's feminists

Author: [Suyin Haynes](#) [1]

In: Time, 2018

Writer and academic Leta Hong Fincher discusses the feminist movement in China in connection with the development of #MeToo in the USA. She also discusses the impact of the arrest in 2015 of the Feminist Five on the struggle for Chinese women's equality and the patriarchal authoritarianism of Chinese leader Xi Jinping, noting similarities with other world leaders.
