

La Caravana de la Resistencia

Author: [María I. Taracena](#) [1]

In: NACLA Report on the Americas, Vol 50, No 2, 2018, pp. 386-391

Taracena reports on the abuse that people belonging to the LGBTI+ community suffer at home and in Mexican detention centres because of their sexual orientation. She also juxtaposes the violations they encounter during the journey from Honduras to Mexico and portrays their immigration as an act of resistance against transphobia and homophobia.

In addition to Taracena 's report, attached is also an account of the death of a transgender woman, Roxsana Hernández, from Honduras who died in a detention centre in New Mexico who gave rise to LGBTI+ activism in the country.
