

#MeToo's hidden activists? Working class women

Author: [Alyssa Quart](#) [1]

In: The Guardian, 2018

The article sheds light on the need to include the struggle of women from lower social classes, who suffer harassment and sexual abuse, within the public exposure that the #MeToo movement achieved since 2017. It argues that understanding the dynamic of sexual harassment and sexual assaults in every working context is fundamental to understand how to end it.
