

Why aren't women protesting in Cuba?

Author: [Claudia Padrón](#) [1]

In: IWPR, 2018

Claudia Padrón Cueto comments on the absence of the crime of femicide in the Cuban Criminal Code, and on the lack of statistics and appropriate media reporting on the subject. She also recalls the protests in Argentina, Mexico, Chile and Brazil under the slogans #NoEstamosTodas ("We're Not All Here") #NiUnaMenos ("Not One Less") and argues that the lack of demonstrations and feminist movements do negatively affect Cuban society.
