

Women in Tariquía

Author(s): [Marxa Chávex](#) [1], [Claudia López](#) [2]

In: NACLA Report on the Americas, Vol 50, No 4, 2018, pp. 408-410

Explores women's fight against oil extraction in the Bolivian Tariquía Reserve and the threat against forms of self-governance, of dispossession from the land and the environment this constitutes. The authors bring into the analysis the false division between the public and the private sphere. The threat of dispossession, in fact, is projected in daily life, as when women have to endure divisions within their families, occurrence that is considered a form of private and public violence.
