

Is Anti-Chinese Mood Growing in Kyrgyzstan?

Author: [Eshaliyeva Kamila](#) [1]

In: Open Democracy, 2019

Article discussing Kyrgyz protests in 2019 against migrant Chinese workers (both illegal and legal), in the context of alarm about Chinese government treatment of ethnic Kyrgyz inside China. The author considers how far fears of large numbers of migrants could be substantiated and what the relationship was between protesters and state bodies.
