

The brave young people fighting for human rights in Bolsonaro's Brazil

In: Amnesty International, 2019

In the aftermath of Jair Bolsonaro's election on an openly anti-human rights agenda, a climate of fear remains in Brazil. Yet, young people are rising up and making their voices heard. Amnesty International met seven human rights activists who reveal what life is like in Salvador, Brazil, and how they're tackling violence against women, racism and homophobia.
