

Campaigners demand action after January surge in femicide

Author: [Valentina Iricibar](#) [1]

In: Buenos Aires Times, 2019

Report on the initiative of the Argentinian feminist organisation 'Mujeres de la Matria Latinoamericana' (MuMaLá) to call on the government to declare a national emergency after 27 confirmed femicides occurred between January and February 2019. The organisation has also submitted a petition highlighting the educational and legislative steps to take in order to reduce this form of violence.
