## Colombia's New Awakening

Author(s): [Isabel Peñaranda](#) [1], [Julian Gomez-Delgado](#) [2]

In: Jacobin, 2019, pp. 6-6

This article, written at the beginning of the mass protest movement that began in Colombia in November 2019, examines the political and economic context of the emergence of socio-economic protest and discusses its possible future significance for Colombia and the left.
