## Here's why the anti-abortion movement is escalating

Author: [Amelia Thomson-DeVeaux](#) [1]

In: FiveThirtyEight, 2019

Reports on the legally aggressive strategy over abortion that Republican lawmakers have pursued since 2010 in at least five U.S. states. Provides detailed charts that show typologies of 'abortion restriction' state legislatures; examines how states have restricted abortion access, and makes prediction on how the Alabama Supreme Court's conservative majority might legislate in light of the 2020 elections.
