

Struggles in the current context. The Campaign for Nuclear Disarmament in dangerous and disturbing times

Author: [Kate Hudson](#) [1]

In: Struggles in the current context. The Campaign for Nuclear Disarmament in dangerous and disturbing times, No 120, 2019

This article explores from a Marxist perspective the contributions the Campaign for Nuclear Disarmament (CND) has made over time within a context where the threats the world is facing are increasing. The article concludes by considering the challenges ahead.
