

Why the Arms Trade Treaty Matters - and Why it Matters that the US is Walking Away

Author: [Pablo Olabuenaga](#) [1]

In: Just Security, 2019

The author, who was a member of the Mexican government delegation throughout the negotiations for the Treaty, explains the significance of detailed provisions of the Treaty, and its overall importance as a multilateral arms control treaty. He also notes the close links between the Mexican and US delegations during the talks.
