

Belly of the Beast: California's dark history of forced sterilizations

Author: [Jindia Shilpa](#) [1]

In: The Guardian, 2020

Filmed over seven years, Erika Cohn's *Belly of the Beast* exposes state-sanctioned sterilizations in California prisons through the story of Kelli Dillon, who was forcibly sterilized while incarcerated at the Central California women's facility in Chowchilla, and her lawyer Cynthia Chandler.
