

For a Different Hebron

Author: [Futura D'Aprile](#) [1]

In: New Internationalist,, 2020, pp. 60-61

This article discusses the work of Youth Against Settlements, which opposes Israeli settlements in this Palestinian city in the West Bank, and describes the range of nonviolent tactics used by them, such as documenting human rights abuses, legal action and direct action. D'Aprile also meets with other civil society organizations, which are involved in community work, including the Christian Peacemaker Team organizer who supports Palestinian-led grass roots resistance to the occupation.
