

Just Stop Killing Us. Young Nigerians Rise Up

Author: [Emmanuel Akinwotu](#) [1]

In: Guardian Weekly, 2020, pp. 15-16

Provides an overview of the reasons for the protests and the initial government response.

See also: Akinwotu, Emmanuel, 'Nigeria Tried to Ban Bitcoin. How Did It Work Out?', *Guardian Weekly*, 13 August 2021, pp.25-6.

Akinwotu explains the rising use of bitcoin by the tech-savvy young, and notes how the government clamp down after October 2020 on bank accounts of those supporting the anti-SARS protests fueled this trend.
