

The rapist is you!': why a Chilean protest chant is being sung around the world

Author: [Gaby Hinsliff](#) [1]

In: The Guardian, 2020

Devised by a little-known South American feminist collective, the song 'Un Violador en Tu Camino' ('A rapist in your path') has been performed by women from Washington to Istanbul. This article sheds light on the reason why the song has become the hymn of feminist movements against sexual harassment.
