

Reimagining Global Abortion Politics: A Social Justice Perspective

Author(s): [Fiona Bloomer](#) [1], [Claire Pierson](#) [2], [Sylvia Estrada](#) [3]

Policy Press, Bristol and Chicago, 2020, pp. 176

This book uses case studies from a range of countries to provide a transnational and interdisciplinary analysis of trends in abortion politics, and considers how religion, nationalism, and culture impact on abortion law and access. It also explores the impact of international human rights norms and the role of activists on law reform and access to abortion. Finally the authors examine the future of abortion politics through the more holistic lens of 'reproductive justice'. The countries included are: Argentina, Egypt, Northern Ireland, Republic of Ireland, South Africa, Uruguay and the US.
