

Students Lead New Wave of Democracy Protest in Thailand

Author: [Peter Boyle](#) [1]

In: Green Left Weekly, 2020

Reports on the wave of student protests across the country since the July 18 rally in front of the Democracy Monument. Focuses particularly on a protest on 19 August by thousands at Thammasat University in Bangkok (which has iconic significance in the history of Thai pro-democracy struggles), the largest of many student-led protests that day.
