

When Police Brutality and Digital Rights Collide - Lessons from Nigeria

Author: [Ashoka](#) [1]

In: Forbes, 2020

Forbes discusses with Ashoka fellow, Gbenga Sesan, how both offline and online mobilization contributed to the build-up of the End SARS protests. The discussion also includes the intersection of police brutality and digital rights in the light of accusations that SARS officials were arresting individuals working in start-ups and stealing their data.
