

Young Climate Heroes

Mar-Apr 2020

Author: [Lucy Woods](#) [1]

In: New Internationalist, 2020, pp. 67-72

Survey of youth climate activism in schools and universities in Canada, focused on the climate impacts of excess consumption and fast fashion, symbolized by the November 2019 'Black Friday' shopping spree. Based on interviews with six young Canadians involved in a range of environmental activism.
