

Young People Resume Global Climate Strikes Calling for Urgent Action

Author: [Fiona Harvey](#) [1]

In: Guardian, 2020

Compares the September 2020 Friday strikes (in about 3,500 places worldwide) which were constrained by Covid related social distancing measures, with the 2019 week of action involving at least six million. The article also provides a link to a 24-hour global zoom call covering regional issues and links to forms of activism, especially digital activism.
