

Paving a Path to COP 26

Author: [Rebecca Elson-Watkins](#) [1]

In: Peace News, 2021, pp. 7-7

Provides a round up of what UK based environmental bodies were doing to foreground climate and environmental issues in the run-up to the Glasgow Conference, both in terms of protest and direct action and in terms of green initiatives such as creating 'green towns'. It also references the website of the COP 26 Coalition.
