

A look at the #MeToo movement's impact in the US, Brazil and the UK

Author(s): [Michele P. Taylor](#) [1], [Tahl Tyson](#) [2], [Renata Neeser](#) [3], [Heather Vigil](#) [4]

In: TLNT, 2108

This article compares the positive impacts of the #MeToo movement in two different jurisdictions in the United States of America - namely California and Texas - in Brazil, and in the United Kingdom. It highlights the reforms promoting the prosecution and prevention of sexual harassment in the workplace.
