

From Social Movement To Political Organisation: The Case of OTPOR

Author(s): [Danijela Nenadic](#) [1], [Nenad Belcevic](#) [2]

2006

Abstract

This paper explores the phenomenon of Otpor (Resistance) movement from Serbia that has played one of the crucial roles in overthrowing undemocratic regime of Slobodan Milosevic. It will focus on revealing some of the key elements of every movement such as organization, structure, mobilization and activism.
